

America is a Constitutional Republic.

America is not ruled by 51% of
the people as is a democracy.
America's Constitution is the
“Law of the Land” and protects
the rights of all citizens, not
just the rights of a majority of its
citizens.

Everyone has the Right
to Freedom of Speech, the
Right to Protect yourself and
the Right to Due Process by a
jury of your peers.
No one is above the Law.
The Supreme Law of the land
is the Constitution.

America's pledge of
allegiance is America's
Vision Statement. It is a
pledge of allegiance to the
ideas that make America
exceptional.

In God We Trust.

**"I pledge allegiance to
the Flag of the United
States of America, and to
the Republic for which it
stands, one Nation under
God, indivisible, with
liberty and justice for all."**

If America is so bad, why
are people risking their lives
to live in America to create
a better life and future for
themselves and their family?

Get Involved.

Get Active.

Tell your Representatives that
you will not be tricked into
giving away your
Constitution.

PROTECT IT NOW.

**IT BELONGS TO YOU, IT
BELONGS TO ALL OF US.**

**Don't just read this.
Pass it on !!!!**

History teaches us that open borders will fail to preserve our nation for ourselves and our posterity.

Europe is currently allowing immigration at an unprecedented level and this has created an unprecedented level of crime, rapes, murder and drug issues.

The American Immigration system is not broken. It is fair and there is a process that you have to follow. Why should someone jump the queue illegally with all the problems that creates when there are many millions going through the legal process to become part of this great nation.

The Constitution Protects your rights and has 27 Amendments. 10 of those are the Bill Of Rights.

How many can you name?

What are the five Freedoms of the 1st Amendment?

Don't be fooled by fake news.

It's your Constitution.

The politicians YOU elect are not above the Law, Republican or Democrat they must answer to OUR Constitution.
Don't let the FAKE news tell you otherwise.

What part of the Constitution do you not like? Which Freedom that it provides do **you not agree with?**
